INVITATION
to 3rd PAWEES 2012 International Conference on
“Challenges of Water & Environmental Management in Monsoon Asia”
27-29 November 2012,
Xujati Kambhu Convention Hall & NEWMASIP Training Center,
Royal Irrigation Department (Pakkred), Thailand

Dear, Dean of Faculty of Engineering, Naresuan University.

Subject: Invitation to the 3rd PAWEES 2012 International Conference on “Challenges of Water & Environmental Management in Monsoon Asia”

We are pleased to invite you and your colleagues to participate the upcoming 3rd PAWEES 2012 International Conference on “Challenges of Water & Environmental Management in Monsoon Asia” on **27-28 November 2012** in Xujati Kambhu Convention Hall & NEWMASIP Training Center, Royal Irrigation Department (Pakkred), Thailand. and The conference is jointly organized by Faculty of Engineering, Chulalongkorn University, Faculty of Engineering at Kamphangsae, Kasertsart University, Royal Irrigation Department and PAWEES.

The main focus of the 3rd PAWEES 2012 International Conference on **27-28 November 2012** is to provide a platform for researchers, scientists, practitioners, and policy makers to share and present new advances, research findings, perspectives and experiences in Paddy and Water Environment and related disciplines. Special attentions will be given to developing certain skills or competence, or general upgrading of performance ability for climate change adaptation, participatory irrigation and environmental management, and sustainable development in irrigation and drainage in the monsoon Asia. The conference will bring together special guest speakers, leading researchers, engineers, scientists, and officials in the domain of interest from around the world. For more information, registration fee and pre-registration, please refer to the website: http://project-wre.eng.chula.ac.th/watercu_eng/. Please also kindly post the conference poster attached in your office for public relations.

We would be thankful if you could join us to the International Conference. If you have any questions, please do not hesitate to contact me (Sucharit.K@chula.ac.th).

I look forward to hearing from you soon.

Yours sincerely,

Sucharit K

3rd Announcement

PAWEES 2012 International Conference on "Challenges of Water & Environmental Management in Monsoon Asia"

27-29 November 2012, Thailand

International Society of Paddy and Water Environment Engineering (PAWEES)
Faculty of Engineering, Chulalongkorn University (CU)
Faculty of Engineering at Kamphaengsaen, Kasetsart University (KU)
Royal Irrigation Department (RID)

Aims and Scope

The objective is to provide a platform for researchers, scientists, practitioners, and policy makers to share and present new advances, research findings, perspectives, and experiences in Paddy and Water Environment and related disciplines. Special attentions will be given to developing certain skills or competence, or general upgrading of performance ability for climate change adaptation, participatory irrigation and environmental management, and sustainable development in irrigation and drainage in the monsoon Asia.

The conference will bring together leading researchers, engineers, scientists, and officials in the domain of interest from around the world topics of the conference are:

- Climate Change and Uncertainty
- Participatory Management for Irrigation Projects
- Emerging Technologies in Water Management
- Environmental Sustainability in Paddy Irrigation and Drainage

Language

The official language of the conference will be English. All abstracts, papers and posters should be submitted in English.

Programs

DAY 1: PAWEES 2012 International Conference

DAY 2: PAWEES 2012 International Conference (cont.)

11th PAWEES Award Ceremony and Cultural events (Individual)

DAY 3: Technical tour to irrigation project and industrial estate (optional)

PAWEES 2012 International Conference

Date: 27 November 2012

Venue: XujatiKambhu Convention Hall & NEWMASIP Training Center

Time	Plenary Session			
08.30-09.00	Registration			
09.00- 10.10 (5 minutes for each remarks; 25 minutes for each keynote speech)	Opening Ceremony and Opening Remarks <ul style="list-style-type: none"> - Dr. BoonsomLerthirankul (Dean of Faculty of Engineering, CU) - Dr. PiromKamol-ratanakul (President of Chulalongkorn University) - Dr. VudtechaiKapilakanchana (President of Kasetsart University) - Dr. Tai-cheol Kim (President of PAWEES) Keynote Speech <ul style="list-style-type: none"> - Mr. LertvirojKowattana (Director General of RID) - Mr. Hiroyuki Konuma (Assistant Director General of FAO) 			
10.10-10.30	Coffee break			
10.30- 12.10 (20 minutes for each keynote speech)	Session A Climate Change and Uncertainty <ul style="list-style-type: none"> - Keynote Speech Dr. Jin Soo Kim (President-elect of KSAE) Session B Participatory Management for Irrigation Projects <ul style="list-style-type: none"> - Keynote Speech Mr.Va-Son Boonkird (Royal Irrigation Department) Session C Emerging Technologies in Water Management <ul style="list-style-type: none"> - Keynote Speech Mr. Wei-Fuu Yang (President of TAES, Taiwan) Prof. Fi-John Chang (National Taiwan University) Session D Environmental Sustainability in Paddy Irrigation and Drainage <ul style="list-style-type: none"> - Keynote Speech Dr. ShoShiozawa (President of JSIDE) 			
12.10- 13.00	Lunch break			
13.00- 15.00 (15 minutes for each presentation)	Session A Climate Change and Uncertainty	Session B Participatory Management for Irrigation Projects	Session C Emerging Technologies in Water Management	Session D Environmental Sustainability in Paddy Irrigation and Drainage
15.00- 15.30	Coffee break			
15.30- 16.30 (15 minutes for each presentation)	Session A Climate Change and Uncertainty	Session C Emerging Technologies in Water Management	Session D Environmental Sustainability in Paddy Irrigation and Drainage	Session D Environmental Sustainability in Paddy Irrigation and Drainage
18.00-20.00	Reception Dinner			

PAWEES 2012 International Conference (cont.)

Date: 28 November 2012

Venue: XujatiKambhu Convention Hall & NEWMASIP Training Center

Time	Plenary Session (Tentative)		
08.30-09.00	Registration		
09.00-10.00 (15 minutes for each presentation)	Session A Climate Change and Uncertainty	Session C Emerging Technologies in Water Management	Session D Environmental Sustainability in Paddy Irrigation and Drainage
10.00-10.30	Coffee break		
10.30-12.00 (15 minutes for each presentation)	Session C Emerging Technologies in Water Management	Session C Emerging Technologies in Water Management	Session D Environmental Sustainability in Paddy Irrigation and Drainage
12.00- 13.00	Lunch break		
13.00- 14.00	Award ceremony International Award Paper and Review Award
